Wando Room Checklist

Enjoy your time in our new pool house, but before you leave we ask that you complete the following checklist. A broom, dustpan, basic cleaning supplies, and trash bags are located in the kitchen.

- Consolidate all trash and take to dumpster
- Put new bags in trash cans if necessary
- Turn off all lights, electronics, and fans both inside and outside
- You may adjust the thermostat to your comfort using the up or down arrows and the preset program will adjust temperature as necessary
- Ensure all doors and windows are closed
- Sweep floors of any debris
- Wipe down countertops, tables and furniture as needed
- Check porch and restrooms for trash or belongings from your party
- Place furniture back in original location
- Ensure that TV's are off and remote controls are returned to the bar
- Remove any items that you placed in refrigerator or freezers

Please enjoy your time and be courteous of other members. Remember that HYC is an all-volunteer club so this room belongs to all of the members and you are responsible to care for it as such. It is your obligation to leave the Wando Room in better shape than you found it. Usage is tracked via key fob entry and security cameras on the premise. Any infractions are subject to review and appropriate action by the HYC Board of Directors.

If you have any concerns, please send email to contact@hobcawyachtclub.com
